Instances may arise when students who receive student loans have the opportunity to repay some of these loans to make room for new, more beneficial aid (e.g., scholarships). Your authorization is needed to allow Financial Aid to decrease your paid loans. You may provide the authorization now to prevent delays or avoid a reduction to more favorable aid. Your authorization below will remain in effect for the duration of your time at Western or until you revoke your authorization.

Yes, please replace paid federal loan with free aid if free aid becomes available.
